

UNITED ALLIANCE SERVICES

JA'KIEA WILLIAMS

SAFETY AND HEALTH CONSULTANT

Ja'Kiea is a safety professional that graduated from Keene State College with a degree in Occupational Safety and Health and Applied Sciences. During her time at Keene State,

While working with Pichette Brothers Construction, Ja'Kiea conducted on-site tool box talks and participated in meetings with project related contractors. She also developed JHA's for project-specific tasks and developed corporate office floor plans incorporating fire extinguishers, First Aid/ CPR/ AED materials, emergency showers, eye washes, exit routes and other life safety features.

In her role as Health and Safety Consultant, Ja'Kiea assists our clients with site-specific health and safety program development, safety and health inspections, and conducting site safety auditing and safety management services for large commercial projects.
